

The **[C]** young ones, darling, we're the **[Am]** young ones
 And the **[C]** young ones, shouldn't be a-**[Am]**-fraid
 To live, **[C]** /// love, **[G7]** /// **[C]** while the flame is **[F]** strong
 'Cause we **[C]** may not be the **[G7]** young ones, very **[C]** long **[G7]**
 To-**[C]**-morrow, why wait until to-**[Am]**-morrow?
 'Cause to-**[C]**-morrow, sometimes never **[Am]** comes
 So love **[C]** /// me, **[G7]** /// **[C]** there's a song to be **[F]** sung
 And the **[C]** best time is to **[G7]** sing it, is while you're **[C]** young **[C7]**

[F] Once in every lifetime, **[C]** comes a love like this
 Oh, **[D7]** / I need you, **[D7]** / you need me
[G] Oh, my darling, **[G7]** can't you see?
 The **[C]** young dreams, should be dreamed to-**[Am]**-gether
 And the **[C]** young hearts, shouldn't be a-**[Am]**-fraid
 And some **[C]** /// day, **[G7]** /// **[C]** when the years have **[F]** flown
 Darling, **[C]** then we'll teach the **[G7]** young ones of our **[C]** own **[C7]**
